# OSSIE LEARNS of LOVE

OSSIE MOYER watched Jill Turner, the belle of Hilton High School, surrounded by guys all clamoring for a date. Jill batted her eyelashes, turning on the charm, and Ossie was so entranced that he didn't notice his buddy, Wally Watts, amble up to him. "Break out of it, lover boy," laughed Wally, "that chick's out of your league." "Oh, hi, Wally," said Ossie, "you're right, but I sure would like to be her date for the junior play on Friday." Then he turned to Wally. "Lissen, pal, you live on the same block with her, how come you can't make her aware of my existence?" Wally shook his head, "I wouldn't introduce you to that barracuda on a bet, Oscar, ole' pal. She collects guys like we used to collect marbles. Why don't you date Terry Walsh? She's bats about you and . . ." Ossie turned thumbs down. "She's a nice gal, but no glamor. You know what I mean. Now take Jill for instance . . ." "You take her, I don't want her!" replied Wally. "If you're determined, I'll fix you up with Jill. But I gotta do it my way and as long as she dates you, you can't complain about the system I use." Ossie was so delighted with Wally's offer that he didn't question him further. He just nodded joyously, and left for home.

That night Ossie raced to the phone, and snatched it out from under his father's hand as it rang. "Oops, sorry, Pop, but this is a big moment in my life," he said, and then picked up the receiver. It was Wally, "Okay, fall-guy, you're all fixed up. Just call the femme fatale and identify yourself. If you operate well, you may even get to date her for the play Friday night. Also, I would suggest that you drive your uncle's new Cadillac. You know, make a big first impression, heh heh." Ossie was dumbfounded, "Holy Toledo, Wally, you know he uses that for business. Uncle Mort wouldn't let me latch onto that boat of his." "I'm only tellin' ya, son, you're dating the doll of the year and . . ." "Okay, okay, I'll see what I can do," said Ossie resignedly. Wally interrupted, "Hey, you don't mind if I sign Terry Walsh, do ya? She's my idea of a real dish." "No, no," said Ossie, his spirits soaring, "go ahead, Terry's a good kid."

Ossie called Jill Turner with some trepidation and shock set in when Jill purred into the phone, "Why, of course I know who you are, Ossie. I've been noticing *you* for a long, long time." Swallowing hard, Ossie came up with an invitation to the play. "I'd be just thrilled to go. I know it'll be a perfectly wonderful evening with you as my date," continued Jill. Ossie, practically speechless, concluded the conversation and collapsed into an easy chair. "I must have charm," he mused happily. Then, eyeing his father, he launched on a campaign to get his Uncle Mort's Cadillac for the evening. Mr. Moyer was flabbergasted as Ossie struggled through a feeble explanation about dating Jill, and while his mother looked understanding, his dad proceeded to blow a gasket on the subject of teen-age foolishness. Ossie went to bed . . . defeated. The next morning, however, his mother announced that she had convinced dad to call Uncle Mort and make the plea. Ossie snapped out of his dream world long enough to get the news that Uncle Mort would let him use the car as long as he brought it back directly after the play.

On Friday Ossie blew his entire allowance on an orchid for Jill and went over to his uncle's

funeral parlor to borrow the long, black car. He drove slowly, feeling Uncle Mort's eyes on his back as he cautiously cruised down the street. At Turner's house his mouth went dry when he spotted Jill, glowing and gorgeous, as she entered the room. She greeted him warmly but she really snuggled up when she spotted the Cadillac. "I had no idea you were such an important boy, Ossie," she murmured. "I know you're going to be mighty important to me, honey." Ossie kept his composure with an effort not quite understanding her comments, but falling for them in a large way. He pulled over at the insistent honking from behind, and let Wally zoom by in his jalopy with Terry Walsh at his side. Wally waved enthusiastically and lurched ahead. Jill laughed, "Wally is such a child. I like my dates to be mature and impressive, Ossie, like you." Ossie was puzzled. "Gee, thanks, Jill," he stammered, "but I never really thought of myself as such a big shot." Jill laughed softly, "But it's so obvious, Ossie," she protested. Self-confidence surging over him, Ossie started to pull into a parking place with bravado and forgetting the length of the car, he nicked a fender as he tried to straighten it out. Ossie was white and shaken as he climbed out of the car and helped Jill to the sidewalk. Wally waltzed by with Terry, "Hey, chum, looks like you creased the cruiser," he twitted. Ossie turned tortured eyes in his direction, "Yeah," he muttered, said hello to Terry and took Wally aside. "I'm really in a jam now, Uncle Mort'll have a fit. And what kind of a line did you feed Jill about me? I can't figure her at all." "Tut, tut," said Wally, squirming away. "This is your idea, friend, carry on." And he was off. Inside the auditorium Jill said casually, "Too bad about the little scratch on your car, Ossie, but it can be easily fixed, I'm sure." "Yeah, he replied, "only it'll cost a pretty buck." Jill smiled at him warmly, "But that shouldn't be any problem for you. After all, when a boy's the heir to a vast fortune, money shouldn't really concern him." Ossie was in a sudden state of paralysis. "So that's the line Wally used to get her to date me," he thought angrily and suddenly she didn't seem quite as attractive as she had been before. During intermission Ossie took Jill aside. "You've got the wrong idea about me, Jill," he explained with some hesitation and then told her that he was not an heir to anything. She protested, "But that scrumptious car . . ." "It belongs to my Uncle Mort," said Ossie, "he's a funeral director. They all have those big cars." He watched Jill's interest wane until they reached her home. "You needn't ask me for any more dates, Ossie," she said coldly, "I simply can't stand a fraud." Ossie gulped, "Neither can I, Jill. I'm glad I found out about you, too."

Later, as he emerged from his uncle's house after agreeing to devote two months allowance to repairs on the fender, he found Wally and Terry waiting for him. "How about tagging along with us, Ossie," said Terry brightly. "Yeah, pal," added Wally, "I got enough cash on me for three hamburgers. We can go over to the lunch wagon and discuss life and stuff." Ossie felt heartened as he climbed in the car next to Terry. "I found out about life and stuff tonight, Wally, thanks to you . . . now I'd like to find out more about Terry." "Oh, fine," roared Wally, as he chugged away from the curb, "I lose on this deal from all angles." Terry and Ossie joined in his laughter as they bumped down the street.
